

22 August 1975

MEMORANDUM FOR: All NIOs

SUBJECT : FY 1976 KIQs

Attached is the revised version of the FY 76 KIQs which we sent to the DCI on 19 August and which he has returned with his marginal notes, suggestions and emendations. I have talked with him over the phone and we have reached the following understanding. He would like us to collectively examine his suggestions and (allowing for a certain measure of editorial license) if we have no objections, to have our revised KIQs as he has further revised them circulated to USIB while he is on leave during the week of 25 August. If any of you feel strongly about any of the changes he has proposed, we can hold the package up until his return at which time your views can be expressed directly to him for his final decision.
